

Hometaste

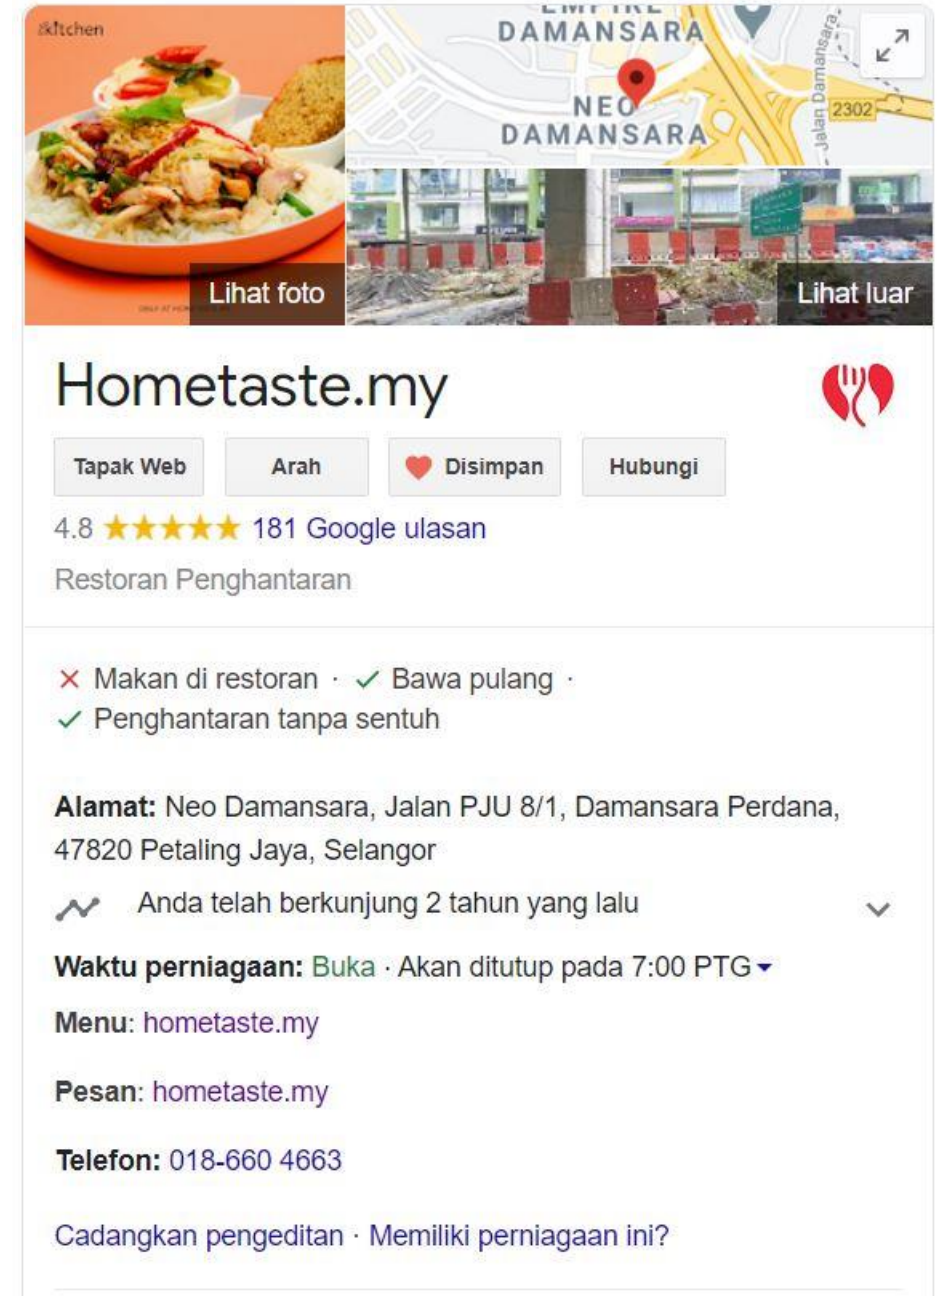

The largest home-cooked food delivery platform

What is Hometaste?

Hometaste started in 2017 as a platform to sell home-cooked meals online. We have a mission to share home-cooked food to everyone!

Hometaste believes that only good food can keep the customers happy. Since then, we decided to standardize our cooking method, constantly work with Aunties and Uncles to create excellent home recipe.

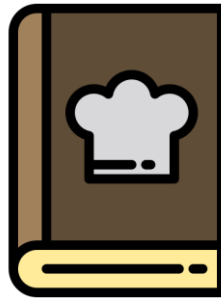

Now as the largest home-cooked food delivery in Malaysia, we have more than 100 home-cooked recipes created and selling it daily at our platform.

In year 2020, Hometaste statistics on home recipe:

170,000 users used
our website

More than 100 home
recipes created

1.2 million sales made
online in year 2020

You can submit ***unlimited*** home-cooked recipe and start to earn now ***without the cooking!***
